All information on this form should be sent to the dress coordinator, either by mail or email. The coordinator also needs a photo of the dress (back and front). The photo can be from a catalog (noting color), or it can be a picture of the Belle actually wearing the dress. A drawing/pattern will also work if the dress is being made. If the color is a name like "sea grass" or "Victorian foam," please indicate the color that the dress "looks"- like blue or green.
